LAMINAM

World-leading Italian large-format porcelain.

FORMA Living is the official Australian distributor for Laminam — the Italian brand that pioneered large-format ceramic surfaces, now setting the global benchmark for architectural porcelain.

Beautiful. Ambitious. Italian LAMINAM 2mm Porcelain

3000x1000 Gemini Acero

Texture, colour, *scale*

Laminam slabs are produced from natural minerals fired at high temperatures — no resins, no petrochemicals, no plastic binders. The result is a surface that delivers the look and feel of natural materials with engineered porcelain performance.

Through FORMA, Laminam is available across residential, commercial and external applications: continuous facades, monolithic feature walls, full-height cladding without joints, kitchen worktops, furnishing.
